

Filled with overwhelming joy and infinite gratitude to the Lord, the SHEC Community held a multi-celebration on this day: 15th Anniversary of SHEC, 13th Anniversary of St. Hannibal Christian Community (SHaCC) and 10th Anniversary of PABaNAL (Port Area Baseco Neighborhood Association League). The event started with the celebration of the Holy Mass at 3:00PM presided by Fr. Dexter at the Nuestra Señora De Gracia Chapel, Port Area, Baseco, Tondo. A short program followed after the Mass then a simple merienda was offered for all. Visitors coming from the communities of Pasay and Baseco filled the small chapel during this event. Messages of gratitude and joyful wishes added more flavor in the festivity of this day.
