

A sound formation of today's youth, it is hoped, would redound to better communities. Part of their holistic formation is to be good communicators, especially that they are called to witness to God in their day to day lives. To realize this somehow, the leaders and members of the Rogate Youth Ministry, SHEC Chapter (RYMSC) attended a seminar dubbed as "Formation in Filipino" last July 21, 2013. This is part of the youth's weekly formation at SHEC.
