

The taxing vocation of a Kingdom worker can only be sustained through connectivity to God, the Source of fresh and refreshing energy. In connection, Kingdom workers at SHEC live by the two essentials of Jesus, i.e. connectivity to God in prayer, resulting in being poured out in mission for total salvation. Accordingly, last July 1, 2013 SHEC conducted a special moment of prayer for community leaders. Indeed, they need to be empowered by God always especially that they face the challenge of being faithful to God in changing situations.
