

Assistance from lending institutions is necessary in the mission of SHEC. In view of this, BenchuZabala and George Espin of SHEC attended the loan documentation seminar which was held at the University of the Philippines, Quezon City last May 30-31, 2012.

The seminar was sponsored by the Social Housing Finance Corporation (SHFC) and Luzon Community Mortgage Program (LCMP Network). It aimed to inform SHFC and LCMP members of the procedure of loan documentation, as well as the details about the right documents to submit, and to update members of the latest policies of SHFC with regard to the community mortgage program.
