

Also, the Department of Environment and Natural Resources (DENR) has no response yet to the segregation of the 2000 sqm Manila International Airport Authority (MIAA) property which, in turn, will determine the granting of a right of way at MIAA.  Be that as it may, the fire of hope remains enkindled as the request letter for the issuance of authorization letter to HOA 3 back titles was received, and the clean initial master list of renters and sharers was signed. In addition, there was an assurance that the deferred applications and other appeals will be reconsidered. There was also a proposal to amend the memorandum of agreement in order to incorporate Pasay mayor Calixto's promise which consists of an additional 3 million pesos for the housing project. The meeting was held at the National Housing Authority (NHA) Office, Baclaran, Paranaque City.
