

**Rogate: Emulating Christ, the King of Social Justice.** November is the month of Christ, the King♦a ruler who focuses on social justice or the so-called preferential option for the poor (see Mt 25:31-46). Obviously, this character of Christ the King inspired the charism of St. Hannibal who devoted his life for the welfare of the poor. Certainly, SHEC is moved by the aforementioned spirit of preference for the poor, as it continues to empower the poorest of the poor at Pasay and Baseco.
